

# DELOS

*Limited Edition*

## Meditative, Mellow, Harmonious

*Delos transforms the blueprints for our own Extinct Blend, Asyla. All American oak, an older character, and a sumptuous balance of malt and grain whiskies.*

### FLAVOUR PROFILE

A sweet succulence that breaks upon the nose in soft waves: ripe pear, pineapple, orange oil and vanilla cream. A medley of fruit tarts and white chocolate soothe the palate, while the maturity of the component whiskies gradually builds to reveal guava, heather honey and chai spices.

### SERVING

#### RECOMMENDATIONS

Pour into a wine glass and engineer your own island retreat. Make sure some pieces of music and close friends are stowed away too.
